Dear Mr. Enriquez,

Peace and blessing to you in Christ Our Lord and Savior.

Thank you very much for your kind letter and for the enclosed \$500.00 check donation for our renovation projects. TANGLAW has become a significant part of our prayer-life ever since you began extending your corporal and spiritual acts of mercy towards our monasteries here in Summit, New Jersey and in Cainta, Rizal, Philippines; thanks to the mediation of my cousins, Edgardo and Sonia Carasig and the generous response of the past Presidents of TANGLAW.

When I was a student at the University of the Philippines I joined the Delta Lambda Sigma Sorority. The Greek letters mean Determined Light Seekers; light meaning the quest for truth, life and love. TANGLAW embodies the same quest for truth, life and love because your association stands for LIGHT and Jesus himself is the LIGHT OF THE WORLD. The members of the Filipino-American Society of Long Island NY are God's chosen instruments to realize this quest for truth, life and love by shedding light through windows of hope in the lives of men and women who come in contact with your association. Thank you very much for being there. God bless you a hundredfold for your many acts of kindness and compassion. May all your good works bear much fruit both in this life and in eternity.

We promise you our unceasing prayers for your association, for your families, your jobs, health and safety. Remember that we are 20 nuns here; we carry each one of you in our hearts before Our Lord in the Blessed Sacrament and with our Blessed Mother Mary through the praying of the Rosary.

Gratefully in Christ,

Sister Maria-Agnes Karasig, OP.
